Where else can glorious history become a part of present-day celebrations... Global celebrities, multinational corporations and Indian business houses have conducted their corporate events and personal celebrations at our heritage-venues. Heads of State, film stars, celebrities from the world of glamour and sports have graced these occasions that have made headlines throughout the world.

From glamorous mega-events and glittering wedding banquets to dignified conferences, our 'regal experiences' have been seamlessly organized to suit guests' preferences for cuisine, décor and ambience. Our endeavor to enrich these 'regal experiences' with authentic cuisine, ethnic music and dance, traditional lighting and line-up of vintage cars and horsemen is highly appreciated. It makes the events even more memorable and unique with this unmistakable touch of royal Rajasthan.

Film production houses – from Bollywood to Hollywood – have captured on celluloid the timeless romance of Udaipur and Rajasthan. We work, as a team, with film crews to ensure that shooting schedules are completed on time.

Moreover given the fast-changing and fast-growing hospitality industry, we are geared to match your budgetary requirements with our offer of matchless venues. For global and Indian event management companies, wedding planners and organizers, we have always been attentive to their needs and requirements; collectively, we've worked to ensure that their Regal Experience with HRH Group becomes benchmarked for its spirit of celebration and the roll-out of professional services.
